Teachings of the Holy Qur'an

By: Mohammad Yusuf Islahi

The Holy Qur'an is the final form of the very source of guidance that has been extended to mankind from the beginning.

- An attempt to compile the guidelines in a subjective format. Simple explanations and Hadith quotations are provided where appropriate. The purpose is to bring forth the basics of the Qur'anic teachings and to break the barrier for those who hesitate to study Qur'an directly.
- A reference book for Da'wah workers and Imams of Jumu'ah Prayer.
- An attractive and useful gift to your loved ones.

ISRA Games An Interesting way to learn Islam

This is a humble effort to make the learning of Islam interesting. The idea behind this is to learn with fun. There are a lot of Islamic games' CDs which claim to be informative, but this CD gives an in depth and detailed knowledge of basics of Islam, the beliefs and Ibadaat, the way to offer Salah, the Islamic values and morals, the rights of parents, human beings, neighbors, living and non-living things, the 99 attributes of Allah, the 99 names of Muhammad (SAW), the names of Qur-anic Surahs, and the names of prophets. The player of these games can never feel boredom as the ever-changing attitude of the games keep the player fresh all the time. The games appear each time as new.

This is really a very useful tool to teach Islam to our younger generations. These games are designed for the age group of 6 years to 14 years, but any one who wishes to seek the knowledge of Islam can be a player.

Quraysh, the Tribe of Muhammad (SAW)

By: Dr. Salman Asad
